Dear Sir:-

We have your address simply as Paris, France, and have consequently not sent you the American Journal of Numismatics recently published. If you care to receive this Journal, kindly let us know where you wish it sent.

We would be glad to hear from you, and what branch of numismatics you are especially interested in. If you have any data or facts you care to communicate to us on numismatics, we would consider it a favor. There must be many items concerning coins, medals and decorations relating to the present war that you have picked up.

Very truly yours,
